21 Oct 21

---

*Dear Doron*

## **DESIGN APPROVED ORGANIZATION SCHEME – APPROVAL SCHEDULE**

Reference(s)

- A. DAOS Schedule UK.MAA.DAOS.0056 dated 29 Jun 20
- B. DAOS Form 82 dated 25 Aug 21

1. Please find enclosed your Design Approval Schedule which recognises the scope of the design work and design signatories at Reference(s) A-B and represents the formal approval of Elbit Systems Ltd, under the MAA Design Approved Organization Scheme (DAOS).
2. As of 01 Oct 17, the MAA introduced a new style approval certificate. Following the first issue of the new style certificate subsequent re-issue will only take place when the organization name, address or certificate expiry date changes. The schedule will be re-issued separately for all accepted changes for scope of approval or approved signatories.
3. If there are any changes to your staff, facilities, products, organizational structure or company name that will affect this approval, these should be passed to the MAA using the DAOS Form 82, which can be found on the MAA website at [www.gov.uk/maa](http://www.gov.uk/maa). Your attention is specifically drawn to the conditions contained in the certificate. If no changes have occurred within 3 years of this approval, the organization shall advise the MAA in writing that the details of the approval are still correct. Failure to do so may render the approval invalid.

Handling Instructions: Commercial in Confidence

4. The MAA will publish details of those organizations approved under DAOS on the MAA website.
5. You are requested to acknowledge receipt of this letter.

Yours Sincerely

Enclosure:

1. Design Approval Schedule dated 21 Oct 21
