Subject: EASA.21G.0069 – EASA Part 21 Subpart G approval continued validity

Attachment: POA Continued Surveillance Plan for the period 2022-2024

Dear Mr KASHER,

According to EASA POA procedure and following a positive recommendation from your POA Team Leader for

ELBIT SYSTEMS ELECTRO-OPTICS ELOP LTD

the European Union Aviation Safety Agency hereby confirms the continued validity of your Part 21 POA Approval Certificate reference number:

EASA.21G.0069

This certificate will remain valid whilst your organisation complies with Part 21 Subpart G and the EASA Fees and Charges Regulation.

The next recommendation for continued validity of the above mentioned POA is

15 April 2024

Yours sincerely,

Olivier TRIBOUT
