

# CERTIFICATE

This is to certify that the Quality Management System of

## Elbit Systems Ltd.

Central Function: Advanced Technology Cent., Haifa, Israel

Has been assessed and complies with the requirements of :

**ISO 9001:2015**

This Certificate is Applicable to

Development, design, integration, manufacturing, thru life logistic and engineering support, flight test of systems and subsystems, assembly maintenance, repair and service of hardware and software for systems, products, test equipment, Trainers, Simulation and Applications for civil and military aviation, space, land, naval, C4ISR and security for manned and unmanned systems. The provision of subsystems enhancements for unmanned aerial vehicles, associated airborne and ground support systems, engines, including primary composite & metallic structural elements.

**Initial Approval:** 16/05/2013

**Valid From:** 13/05/2022

**Valid Until:** 12/05/2025

**Revised:**

**Certificate No.:**

12/06/2023

106400

SII-QCD assumes no liability to any party other than the client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organization maintaining their system in accordance with SII-QCD requirements for system certification. The continued validity may be verified via scanning the code with a smartphone, or via website [www.sii.org.il](http://www.sii.org.il). This certificate remains the property of SII-QCD.

# Annex to Certificate of Registration no. 106400

## Elbit Systems Ltd.

Central Function: Advanced Technology Cent., Haifa, Israel

With Additional Sites At:

**Elbit Systems Ltd.**

Advanced Technology Centre, Haifa, 31052, Israel.

**Scope:** Development, design, integration, prototype manufacturing, assembly and systems service of hardware and software for systems and products, test equipment and manufacturing equipment, trainers and simulation, civil and military aviation and applications for airborne, space, land, naval, command, control, communication, computers, intelligence, surveillance and reconnaissance (C4ISR) and security for manned and unmanned systems.

**Elbit Systems Ltd.**

Industrial Area Karmiel, 20101, Israel

**Scope:** Manufacturing, assembly and service of hardware and software for systems and products, civil and military aviation, and applications for airborne, space, land, naval, command, control, communication, computers, intelligence, surveillance and reconnaissance (C4ISR) and security for manned and unmanned systems.

**Elbit Systems Ltd.**

45, Hacharoshet st. , Karmiel, Israel

**Scope:** Assembly, integration and testing of guided munition front kit (major part of the full product), containing of assembly stations, assembly tools and fixtures, testing areas and testing stations of PWA's & subassemblies.

**Initial Approval:**

16/05/2013

**Valid From:**

13/05/2022

**Revised:**

12/06/2023

**Valid Until:**

12/05/2025
