Again, our backlog grew strongly and we generated strong cash flow in the first nine months of the year. Our two recent acquisitions, Tadiran and Ferranti Technologies (Group) Limited, both of which are important steps in our strategy for accelerated growth, have already borne fruit and we have already reaped some of the benefit from the synergies between our businesses. The ongoing merger process, relating to our new subsidiary – Elbit Systems Land and C4I – Tadiran Ltd., which was announced last week, will further expand our business opportunities and will be instrumental to the Group's continued and long-term success”.

The Board of Directors declared a dividend of \$0.17 per share for the third quarter of 2007. The dividend's record date is November 27, 2007, and the dividend will be paid on December 10, 2007, net of taxes and levies, at the rate of 16.29%.
